

Cover Crop Videos - On-Line Videos By State

On-Line Video Title	State ¹	Description (What will the viewer learn/what areas related to cover crops will be covered?)	Link	Area(s) Covered General, Economics, Nutrients, Erosion, Termination, etc.	Rank: 1-5 5=Very Educational	Length (Minutes)	Other Comments
Terminating Cover Crops for Maximum Benefits - Mike Plumer, University of Illinois	Illinois	Discusses termination of cover crops, including herbicides, timing, and machinery	https://www.youtube.com/watch?v=3xbPdeaQ6pg&list=PLWlltQ6Oy0zrdMXa9V7h2AFAacqtVb47n&index=21	Termination	5	32:21:00	Thorough on topic
Grazing Cover Crops and Benefits for Livestock Operations - Doug Hanson	Illinois	Discusses using cover crops for grazing of livestock	https://www.youtube.com/watch?v=sOpvCWxS1SY&index=37&list=PLWlltQ6Oy0zrdMXa9V7h2AFAacqtVb47n	Grazing economics for cover crops	5	19:54	Grazing cover crops with data numbers for multiple farms
The Science of Soil Health: Precision Cover Cropping	Illinois	Joel Gruver from Western IL Univ. discusses precision cover cropping for nutrient benefits	https://www.youtube.com/watch?v=06N63U-RAI0	Soil samples to see fertility advantages of cover crops	4	3:48	Showing advantagesCov like banded fertilizer application.
Mike Plummer: Benefits from Cover Crops Roots on Cash Crop Performance	Illinois	Cover crop research on benefits to crop performance.	https://www.youtube.com/watch?v=3Q617-BpM1E&feature=youtu.be	General soil and rooting info with cover crops and the advantage seen in cash crops.	3	40:35:00	Researcher in depth info
Cover Crops as Part of an Overall Nutrient Management System - Joel Gruver, Western Illinois University	Illinois	Discusses cover crop use for nutrient management	https://www.youtube.com/watch?v=qRLZ61KOZPU	Nutrient management	3	23:02	Nutrient management

Cover Crop Economic Decision Support Tool – Bryon Kirwan, USDA Economist	Illinois	Discusses USDA tool to compare individual farm economics when using cover crops	https://www.youtube.com/watch?v=JH-Hv4dgKsGY	Economics	3	27:38:00	Cover crops economics
Selecting Cover Crops - Eileen Kladviko, Purdue Agronomy	Indiana	Discusses the relative pros and cons of various cover crop species, including the less common cover crops and cover crops	https://www.youtube.com/watch?v=Gv-0CeltC5U	Cover crop selection	5	24:49:00	Good for how to choose crop species
Integrating No-Till or Strip-Till with Cover Crops - Barry Fisher, USDA	Indiana	Discusses soil health and use of cover crops in row crop system	https://www.youtube.com/watch?v=tW-CIRQwkUY	General	5	27:22:00	Focuses on overall soil health, ending on how cover crops fit into system
Cover Crops: Benefits and Risks	Indiana	Discusses basics of getting started in cover crops, including reasons to consider, management and termination concerns, pest considerations, resources, on-line tools	https://www.youtube.com/watch?v=2NlyQeZ8jxQ#t=166	General overview	5	6:13	Good introductory video that covers many areas
Does high clearance sprayer seeding of cover crop work in NW Indiana? The story . . .	Indiana	Discusses use of high clearance cover crop seeders in standing corn	https://www.youtube.com/watch?v=WlhS8AS46_g	High clearance seeding	5	14:31	Soil & Water Conservation District
Innovative Ways to Seed Cover Crops - Jamie Scott	Indiana	Discusses several strategies to seed and establish cover crops	https://www.youtube.com/watch?v=P8HL5Nfhw1o	Cover crop establishment	4	27:40:00	High focus on aerial cover crop establishment
The Basics of Cover Crops - Purdue YDAE	Indiana	Discusses introductory concepts on using and selecting cover crops with university, USDA and farmer speakers	https://www.youtube.com/watch?v=QErWqJiGzzg	General cover crop overview	4	5:08	Introduction to cover crops

Innovative Ways to Seed Cover Crops - Mike Shuter	Indiana	Discusses farmer's techniques for seeding cover crops using modified high clearance spray rig with Gandy box	https://www.youtube.com/watch?v=cixishQfTJs	Cover crop seeding and establishment	4	22:11	Farmer comments cover crop seeding
It is a no brainer, jump start your soil now. The benefits of cereal rye and radish . . .	Indiana	Discusses general information on benefits and biology under cereal rye and radish cover crop system	https://www.youtube.com/watch?v=MO4r-tXq2SY&list=PLMAP-dB0LIKIDLS9-ikB1FB5K0iFd0C5e&index=8	General information	3	3:13	Soil & Water Conservation District demonstration
Managing Your Cash Crop to Make Room To Cover Crop Effectively – Cameron Mills	Indiana	Discusses all aspects of cover crops, including	https://www.youtube.com/watch?v=hFA6oXevOQk	Farmer experiences with cover crops	3	1:05:04	
Jamie Scott - Pierceton, Ind. - Cover Crops Innovators Series (SARE)	Indiana	Discusses farmer's use of cover crops on their farm, with general information on use and benefits	http://www.sare.org/Events/National-Conference-on-Cover-Crops-and-Soil-Health/Cover-Crop-Innovators-Video-Series/Jamie-Scott-Pierceton-Indiana	Farmer testimonial of cover crops	3	2:10	Farmer comments on cover crop use
Explores the depth of crimson clover roots in sandy soils. Spring 2013 - Barry Fisher, USDA	Indiana	Discusses rooting depth of crimson clover cover crop	https://www.youtube.com/watch?v=mUNmXLRCII	General	3	0:45	USDA demonstration of rooting depth
Ty Brown and Hal Brown on Cover Crops	Indiana	Discusses farmers' use of cover crops on their farms, with general information on use and benefits	https://www.youtube.com/watch?v=3S-WITsOE-w	Farmer testimonial of cover crops	2	4:02	Farmer comments on cover crop use
Sweet Corn, Manure and cover crop 1st year root depth in sandy soils	Indiana	Discusses cover crop rooting depths	https://www.youtube.com/watch?v=h73ZgvHNLRw	General	2	2:30	Soil and Water Cons. District demo

Dan DeSutter - Attica, Ind. - Cover Crops Innovators Series (SARE)	Indiana	Discusses farmer's use of cover crops on their farm, with general information on use and benefits	http://www.sare.org/Events/National-Conference-on-Cover-Crops-and-Soil-Health/Cover-Crop-Innovators-Video-Series/Dan-DeSutter-Attica-Indiana	Farmer testimonial of cover crops	2	2:44	Farmer comments on cover crop use
Cover Crops & Poultry Litter in Crop Production at Giles Farms, Inc.	Indiana	Discusses use of cover crops in cropping system using poultry litter as a nutrient source for row crop production	https://www.youtube.com/watch?v=NliYKoo7vk0	Cover crop termination and use in nutrient management	2	3:35	Farmer comments on cover crop use for nutrient management
Farmer's Perspective: Why I Use Cover Crops - Ray McCormick	Indiana	Discusses farmer's use of cover crops, with general information on use and benefits	https://www.youtube.com/watch?v=CMjjBKe7s8E	Farmer testimonial of cover crops	2	2:18	Farmer comments on cover crop use
Cover Crops on New Year's Day in Northern Indiana - Dave Robinson, Plant Cover Crops	Indiana	Discusses general winter conditions of annual ryegrass, clover and radishes	https://www.youtube.com/watch?v=Wm7rrCV9UTs	General information	2	1:21	Soil & Water Conservation District demonstration
Ryegrass Cover Crop Posey County Indiana	Indiana	Discusses general winter conditions of annual ryegrass	https://www.youtube.com/watch?v=NsO548b6tUE	General information	2	4:10	Soil & Water Cons. District demo
Indiana No-Tiller Uses Cover Crops To Stimulate Soil Biology - Dave Chance, Lebanon, IN	Indiana	Discusses farmer's use of cover crops on their crop and swine farm	https://www.youtube.com/watch?v=3r5xp5X-oms	Farmer testimonial of cover crops	2	3:32	Farmer comments on cover crop use
Adding a Cover Crop to a Corn-Soybean System (Part 1) – Sarah Carlson, Practical Farmers of Iowa	Iowa	Discusses cover crops in row crop systems, including selection, establishment, and selected expenses	https://www.youtube.com/watch?v=yBVeVzhuSw	General information on all aspects of cover crop use	5	14:08	Great general cover crop information with pros and cons on use
Adding a Cover Crop to a Corn-Soybean System (Part 2) – Sarah Carlson, Practical Farmers of Iowa	Iowa	Discusses cover crops in row crop systems, especially termination	https://www.youtube.com/watch?v=TVHafe5mFkU	Cover crop termination	5	10:25	Termination of cover crops

Cover Crops for Iowa from Farmers – Sarah Carlson, PFI	Iowa	Discusses cover crops options for Iowa farms	https://connect.extension.iastate.edu/p7b0misn1aj?launcher=false&fcsContent=true&pbMode=normal	General	5	44:17:00	
Grazing Annual Cover Crops – Joe Sellers, Iowa State University	Iowa	Discusses the grazing of cover crops	https://connect.extension.iastate.edu/p92gtyznv01/?launcher=false&fcsContent=true&pbMode=normal	Grazing cover crops	5	23:49	
Big or Small, Cover Crops for All! – Ajay Nair, Iowa State University	Iowa	Discusses cover crops in vegetable production	https://connect.extension.iastate.edu/p9qxc3x4t52/?launcher=false&fcsContent=true&pbMode=normal	Vegetable production	5	54:41:00	Vegetable production
Weed Management and Cover Crops – Bob Hartzler	Iowa	Discusses use of cover crops in weed management	https://connect.extension.iastate.edu/p35fid5ufeu/?launcher=false&fcsContent=true&pbMode=normal	Weed management	5	26:06:00	
Crop Mystery: Winter Rye and Corn – Tom Kaspar, USDA-ARS	Iowa	Discusses occasional yield decreases in corn after cereal rye cover crop	https://www.youtube.com/watch?v=Iyqj0guh5Rs	Yields from cover crops	5	4:51	Explains yield decreases after cereal rye
Cover Crops for Iowa - Video Recap – Randy Ringler	Iowa	Discusses cover crop species and their role for Iowa row crop systems	https://www.youtube.com/watch?v=Z4I1v53YRk	Cover crop species selection	4	7:17	
Cover Crops After Wheat Webinar – Steve Groff, Cover Crops Solutions	Iowa	Discusses cover crop options after wheat	https://www.youtube.com/watch?v=gZVAoekPnqQ	Cover crop species selection	4	43:58:00	
Cover Crop Systems for Iowa – Jeremy Singer, USDA-ARS/Iowa State University	Iowa	Discusses basic information for cover crops	https://www.youtube.com/watch?v=j1cprcbyJac	General	3	3:05	

Grazing Cover Crops and Benefits for Livestock Operations - Craig Lang	Iowa	Discusses farmer use of cover crops in livestock systems	https://www.youtube.com/watch?list=P_LWlltQ6Oy0zrdMXa9V7h2AFAacqtVb47n&v=bDOwdhKd0nU	Grazing cover crops	3	16:51	Farmer comments on cover crop use
Managing Cover Crops – Jeremy Singer, Iowa State University	Iowa	Discusses managing cover crop	https://connect.extension.iastate.edu/p85928881/?launcher=false&fcsContent=true&pbMode=normal	General	3	52:25:00	
Ray Gaesser – Corning, IA - Cover Crops Innovators Series (SARE)	Iowa	Discusses farmer’s use of cover crops on their farm, with general information on use and benefits	http://www.sare.org/Events/National-Conference-on-Cover-Crops-and-Soil-Health/Cover-Crop-Innovators-Video-Series/Ray-Gaesser-Corning-Iowa	Farmer testimonial of cover crops	2	3:03	Farmer comments on cover crop use
Clay Mitchell – Waterloo, IA - Cover Crops Innovators Series (SARE)	Iowa	Discusses farmer’s use of cover crops on their farm, with general information on use and benefits	http://www.sare.org/Events/National-Conference-on-Cover-Crops-and-Soil-Health/Cover-Crop-Innovators-Video-Series/Clay-Mitchell-Waterloo-Iowa	Farmer testimonial of cover crops	2	2:38	Farmer comments on cover crop use
Burlington, KS Clean Water from No-till and Cover Crops	Kansas	Demo on the difference between water quality from runoff from different fields.	https://www.youtube.com/watch?v=jDbMuVgOtk0	Runoff demo	2	1:13	Quick demo
Selecting Cover Crops-Gail Fuller	Kansas	Diversity in cover crops to promote beneficial insects	https://www.youtube.com/watch?v=cDTZ3A9QiQA	Using diverse cover crops for maximum benefits	3	17:37	
Cover Crop Discussion with Gail Fuller Oct 3, 2014 stop 2	Kansas	In field discussion on cover crop mix and termination	https://www.youtube.com/watch?v=tMl00_2b8xs	Farmer mix of cover crops	3	8:03	Farmer experience with cover crop mixes
Cover Crops as Part of an Overall Nutrient Management System - Tim Harrigan, Michigan State University	Michigan	Discusses cover crop use for nutrient management, especially with manure utilization	https://www.youtube.com/watch?v=cUNgWNGh-to	Nutrient management	5	21:43	Nutrient management with manure systems

John Burk – Bay City, MI - Cover Crops Innovators Series (SARE)	Michigan	Discusses farmer's use of cover crops on their farm, with general information on use and benefits	http://www.sare.org/Events/National-Conference-on-Cover-Crops-and-Soil-Health/Cover-Crop-Innovators-Video-Series/John-Burk-Bay-City-Michigan	Farmer testimonial of cover crops	2	2:53	Farmer comments on cover crop use
Henry Miller – Centreville, MI. - Cover Crops Innovators Series (SARE)	Michigan	Discusses farmer's use of cover crops on their farm, with general information on use and benefits	http://www.sare.org/Events/National-Conference-on-Cover-Crops-and-Soil-Health/Cover-Crop-Innovators-Video-Series/Henry-Miller-Centreville-Michigan	Farmer testimonial of cover crops	2	2:38	Farmer comments on cover crop use
Beef Team TV Incorporating Cover Crops into Weaning Systems	Minnesota	Incorporating Cover Crops into Cow-Calf Forage Systems.	https://www.youtube.com/watch?v=CJbPhpkB3WQ	Nutritional value, grazing management, species selection, weaning, economics	5	11:48	Nice overview with research trial results
Cow Calf Days. 2015. Incorporating Cover Crops into Forage Systems Part II	Minnesota	Overview of the specific agronomic and feed value characteristics of the different cover crop species use as part of grazing system. Includes considerations for establishment	https://www.youtube.com/watch?v=QyMZ3u9xzKk	Species selection, feed value, yields, economics, cattle performance, establishment	5	16:11	Video of presentation at cow/calf days seminar

Cow Calf Days.2015.Incorporating Cover Crops into Forage Systems Part III	Minnesota	Continuation of discussion of establishment, herbicide considerations, grazing management	https://www.youtube.com/watch?v=eVgNqO3arek	Establishment, herbicide considerations, grazing management	5	8:54	Video of presentation at cow/calf days seminar
Cow Calf Days. 2015.Incorporating Cover Crops into Forage Systems Part I	Minnesota	Introductory general overview of the use of cover crops as part of the grazing system for beef cow/ calf operations.	https://www.youtube.com/watch?v=YTmCSQHako	Species selection, grazing season management, feed value	4	13:02	General overview and introduction. Video of presentation at cow/calf days seminar.
Soil compaction and cover crops	Minnesota	Drs. Dick Wolkowski (Wisconsin) and Abbey Wick (NDSU) discuss the benefits of cover crops on soil health.	https://www.youtube.com/watch?v=fQ4H5yP2o8k	Species selection and system management	4	3:10	Good introductory overview
UMN ForeverGreen--Cover crops for Minnesota's farms	Minnesota	Scientists and students at the University of Minnesota are working to improve cover crops for our state.	https://www.youtube.com/watch?v=DBpfBvY3mxk	Species selection, establishment	4	4:01	Good introductory overview

Field Pennycress Kevin Anderson	Minnesota	Describes research being done to evaluate the use of field pennycress as a cover crop	https://www.youtube.com/watch?v=Omp4hYS7M60	Overview of several aspects of pennycress research project	4	4:09	Nice overview
Cover Crop Field Day	Minnesota	Video shows some of the main points presented at a cover crop field day on October 30, 2013	https://www.youtube.com/watch?v=xogKXddlJW4	Economics, nutrient management, establishment	4	4:40	Nice overview
*All from Cover Crop Seminar in MO 2014	Missouri	PDFs also available	http://extension.missouri.edu/sare/covercroscopyposium.aspx		5	N/A	
*Alan Weber: Economics of Cover Crops	Missouri	Economist farmer's view of cover crops.	https://www.youtube.com/watch?v=7Pd0Yd8treE&feature=youtu.be	Economic on how cover crops fit in annually and over the long term.	4	19:28	Farmer comments on economics
*Tim Reinbott: Issues w/Establishing Grain Crops into Cover Crop Residue	Missouri	Figuring out different methods of establishing grain crops into residue.	https://www.youtube.com/watch?v=bCynRrYIIqM&feature=youtu.be	Challenges of establishing into heavy cover crop residue.	4	18:53	Research on different residue planting methods.
Economics of Cover Crops - Alan Weber, Consultant	Missouri	Discusses the economics of cover crop scenarios	https://www.youtube.com/watch?v=7Pd0Yd8treE	Economics	5	19:28	Cover crops economics
*Rob Myers: Trends w/Cover Crops across the Corn Belt	Missouri	Discusses SARE cover crop survey, planting methods, and modified equipment.	https://www.youtube.com/watch?v=BfVAX2hpcKk&feature=youtu.be	General overview on what farmers are looking for and equipment options	3	22:05	Good for equipment options

*Kevin Bradley: Herbicide Considerations w/Cover Crops	Missouri	Weed scientist perspective on killing cover crops.	https://www.youtube.com/watch?v=NaR2zVKUTHU&feature=youtu.be	General overview on herbicide considerations for termination of cover crops.	3	21:31	Considerations on killing cover crops, weed control, and herbicide carryover.
*Rob Kallenbach: Forage Value of Cover Crop Species Used for Grazing	Missouri	Using cover crops as a valuable feed source.	https://www.youtube.com/watch?v=jgGKivi-D-U&feature=youtu.be	General overview on forage value.	3	17:12	Management and grazing option, forage quality.
*Charlie Ellis & Rich Hoorman: On-Farm Cover Crop Strip Trails	Missouri	Seeding info and trail info	https://www.youtube.com/watch?v=NjOdIL6fH8k&feature=youtu.be	General overview of some on farm cover crop trails.	3	24:05:00	Some learning curves from the weather.
*Panel on Soil Impacts of Cover Crops	Missouri	Soil impacts from cover crops. Erosion and soil health, long-term impacts of cover cropping, role of cover crops in improving water quality and other environmental benefits, and soil health impacts of cover crops.	https://www.youtube.com/watch?v=MYyD9PeH68k&feature=youtu.be	General soil and cover crop overview.	2	1:05:39	Good info but pretty in depth and long presentation.
*Kerry Clark: Cover Crop Research for Organic Crop Production	Missouri	Research for organic crop production for organic plans	https://www.youtube.com/watch?v=NEq4OhMO_As&feature=youtu.be	Cover crops for organic mulch in organic row crops.	3	17:37	Researcher comments on organic systems
*Farmer Panel on Research & Extension Needs	Missouri	Farmer panel on questions that need to be answered regarding cover crops.	https://www.youtube.com/watch?v=lCwfltda4ww&feature=youtu.be	Discussion on what direction research needs to move	3	53:59:00	Farmer panel

Cover Crop Study Crimped Crimson Clover Before Corn – University of Missouri	Missouri	Discusses crimping of crimson clover cover crop	https://www.youtube.com/watch?v=IEJoVKOeBmQ	Crimping of cover crops	3	0:49	University demonstration of crimping cover crops
Cover Crops as Part of an Overall Nutrient Management System - Newell Kitchen, USDA-ARS	Missouri	Discusses cover crop selection for overall soil health and nutrient management	https://www.youtube.com/watch?v=2mrLUyU_vSM	Nutrient management	3	20:38	Soil health and nutrient management
Cover Crops Research-Roger Elmore Oct 10, 2014	Nebraska	General info on Nebraska cover crop research	https://www.youtube.com/watch?v=72QWwXAHN4	Research to look at different cover crops and establishment in Nebraska	4	4:39	
Cover Crops Research-Jenny Rees-April 24, 2015	Nebraska	Choosing cover crops based on farmer's goals and looking at the cover crop results from the previous year	https://www.youtube.com/watch?v=CX9E294VQOg	Saw a yield decrease the first year after cover crop	4	4:38	
Selecting Cover Crops-Keith Berns	Nebraska	Farmer presentation about cover crop selections from SARE grant	https://www.youtube.com/watch?v=kgSDmjql1Rw	From using cover crops on the farm to selling cover crop seed	4	23:57	SARE grant motivated them to on task with the cover crops
Keith Berns – Bladen, NE - Cover Crops Innovators Series (SARE)	Nebraska	Discusses farmer's use of cover crops on their farm, with general information on use and benefits	http://www.sare.org/Events/National-Conference-on-Cover-Crops-and-Soil-Health/Cover-Crop-Innovators-Video-Series/Keith-Berns-Bladen-Nebraska	Farmer testimonial of cover crops	2	3:05	Farmer comments on cover crop use
Selecting Cover Crops - Keith Berns	Nebraska	Discusses selection of cover crops	https://www.youtube.com/watch?v=kgSDmjql1Rw&feature=youtu.be&list=PLWlltQ6Oy0zrdMXa9V7h2AFAacqtVb47n	Species Selection	2	23:57	Choosing cover crops

Cover Crops in Southeast Nebraska	Nebraska	Slide show of potential benefits for cover crops	https://www.youtube.com/watch?v=BFbZgevTvMw	Good info but could just be a handout	1	1:40	No narration/sound
The Biology of Soil Health - Kristine Nichols, USDA-ARS	North Dakota	Discusses the soil organism cycles in the soil and how they affect crops	https://www.youtube.com/watch?v=C6xDfl_G8js&feature=youtu.be	Soil health	5	27:12:00	Background on stimulating soil organisms
Grazing Cover Crops and Benefits for Livestock Operations - Gabe Brown	North Dakota	Discusses using cover crops for grazing of livestock	https://www.youtube.com/watch?v=CzrKJo01-kE&index=38&list=PLWlltQ6Oy0zrdMXa9V7h2AFAacqtVb47n	Grazing systems and economics for cover crops	5	23:28	Well done cover crop grazing system
Dave Brandt – Carroll, OH - Cover Crops Innovators Series (SARE)	Ohio	Discusses farmer's use of cover crops on their farm, with general information on use and benefits	http://www.sare.org/Events/National-Conference-on-Cover-Crops-and-Soil-Health/Cover-Crop-Innovators-Video-Series/Dave-Brandt-Carroll-Ohio	Farmer testimonial of cover crops	2	2:15	Farmer comments on cover crop use
Grazing Cover Crops and Benefits for Livestock Operations - Mike Buis	Ontario	Discusses farmer's use of cover crops on their beef cattle farm, with general information on use and benefits	https://www.youtube.com/watch?v=o2uBcU8qNoU	Grazing cover crops	4	21:16	Grazing cover crops use in beef cattle operations
Using Cover Crop Mixtures to Achieve Multiple Goals on the Farm Webinar	Pennsylvania	Discusses the use of cover crop "cocktails" or mixtures to achieve multiple goals on the farm, including weed suppression, nitrogen scavenging, nitrogen provisioning, and attracting beneficial insects and pollinators.	http://www.extension.org/pages/71186/using-cover-crop-mixtures-to-achieve-multiple-goals-on-the-farm-webinar#.VcszJ-JVhBd	Weed suppression, nitrogen scavenging, nitrogen creation, pollenators	5	1:25:58	For use in organic systems

Terminating Cover Crops for Maximum Benefits - Jeff Moyer, Rodale Institute	Pennsylvania	Discusses cover crop termination to maximize nitrogen management and control weed pressure while maximizing the ease of establishment of the desired row crops	https://www.youtube.com/watch?v=FBt1OH6yIP4	Cover crop termination	5	21:28	Use of herbicides, crimper, and other termination forms
Terminating Cover Crops for Maximum Benefits - Steve Groff	Pennsylvania	Discusses termination of cover crops, including herbicides, timing, and machinery	https://www.youtube.com/watch?v=dT4_gY&list=PLWlltQ6Oy0zrdMXa9V7h2AFAacqtVb47n&index=22	Termination	5	29:50:00	
Cover Crops 101 - A Guide to Cover Crop Species	Pennsylvania	Discusses selecting cover crops	https://www.youtube.com/watch?v=Yv0dULyYeX0	Cover crop selection	3	9:57	Cover crop species selection
The Next Step: Adding Cover Crop To A No-Till System - Dave Forgey	South Dakota	Discusses adding cover crops to a current no-till crop system	https://www.youtube.com/watch?v=Blxe7S41q9s	General cover crop overview on farmer's field	4	14:47	Introduction to cover crops
Integrating No-Till or Strip-Till with Cover Crops - Dwayne Beck, SDSU	South Dakota	Discusses use of cover crops with low tillage systems	https://www.youtube.com/watch?v=k18rQderghc&index=24&list=PLWlltQ6Oy0zrdMXa9V7h2AFAacqtVb47n	Nutrient management	3	23:56	
Gabe Brown – Bismarck, SD - Cover Crops Innovators Series (SARE)	South Dakota	Discusses farmer's use of cover crops on their farm, with general information on use and benefits	http://www.sare.org/Events/National-Conference-on-Cover-Crops-and-Soil-Health/Cover-Crop-Innovators-Video-Series/Gabe-Brown-Bismarck-North-Dakota	Farmer testimonial of cover crops	2	2:26	Farmer comments on cover crop use
Using a roller-crimper for no-till organic soybeans, Erin Silva, University of Wisconsin	Wisconsin	Discusses crimper use for cover crop termination in organic soybean production	https://www.youtube.com/watch?v=Aio-cr_icrfw	Cover crop termination	5	3:19	Crimper use

Selecting Cover Crops - Dave Robison, Legacy Seeds	Wisconsin	Discusses selecting and establishing cover crops	https://www.youtube.com/watch?v=0MECOZHEDg	Cover crop selection and use	5	19:15	Cover crop species selection
Cover Crops Following Winter Wheat or Corn Silage Harvest - Matt Ruark, University of Wisconsin	Wisconsin	Discusses selection of cover crops following winter wheat or corn silage	https://www.youtube.com/watch?v=VTV7cAEHDuY	Cover crop selection	5	8:02	Cover crop selection
Using a roller-crimper for no-till organic soybeans	Wisconsin	Using a roller-crimper, the overwintering cover crop is terminated at the time of cash crop planting, leaving a thick mat of plant residue on the soil surface. The cash crop is sown directly into the cover crop residue, allowing the cash crop to emerge through the terminated cover crop while suppressing weeds throughout the season.	https://www.youtube.com/watch?v=Aio-cr_icrfw	Termination and equipment management in a no-till system	5	3:19	Good video that highlights keys to success
Advances using the roller-crimper for organic no-till in Wisconsin	Wisconsin	This video demonstrates some basic components to integrate cover crop based no-till on Wisconsin farms, as well as some specific equipment modifications to make the technique more successful.	https://www.youtube.com/watch?v=UtxH4CJa-jk	Termination and equipment management in organic no-till system	5	4:52	Good video that highlights keys to success

Cover Crops Following Winter Wheat or Corn Silage Harvest	Wisconsin	Dr. Matt Ruark, Extension Soil Scientist, UWEX shows three different demonstrations fields planted with cover crops following winter wheat or corn silage harvest. They include rye, clover with oats, and radish.	https://www.youtube.com/watch?v=VTV7cAEHDuY	General overview	4	8:02	Nice overview
Cover Crops: Winter Rye After Corn Silage	Wisconsin	Discusses use of winter rye cover crop after corn silage harvest to help manage soil erosion and potential nutrient run off. Also provides information on harvest of rye as silage the following spring.	https://www.youtube.com/watch?v=ZeYzIkCBNWY	General overview	3	2:51	Nice overview
Cover Crops and Nutrient Management	Wisconsin	Discusses farmer's use of cover crops on their farm, with testimonial observations on use and benefits	https://www.youtube.com/watch?v=6x90MMcKETg	Farmer testimonial	2	5:15	Farmer comments on cover crop
¹ Illinois, Indiana, Iowa – Eck; Kansas, Missouri, Nebraska – Kammler; Michigan, Ohio – Gahler; Minnesota, Wisconsin – Halfman; North Dakota, South Dakota - Karki
